

REQUESTING THE FORM I-20 FOR INTERNATIONAL STUDENTS

The Certificate of Eligibility for Nonimmigrant (F-1) Student Status is better known as “the I-20.” The I-20 form is issued by schools, like YACPA, that are authorized by the Student & Exchange Visitor Program (SEVP) to accept international students. Once accepted to YACPA, immediately fill out an application for the I-20, as the visa process can take some time. Without this document, international students cannot apply for a U.S. visa and/or enter the United States. **Although Canadian citizens do not need a F-1 visa, they do need to request the Form I-20 from YACPA and pay the SEVIS I-901 fee.**

I-20 Application Instructions:

1. Complete the YACPA Application for the I-20, included with these instructions.
2. Carefully read Section 5, Financial Information.
3. Parents or guardians, if financially responsible for the student’s education, must complete and sign an Affidavit of Support. This affidavit is a legal promise to the United States government that the parents/guardians will provide the named student with a specific amount of money to cover tuition and other expenses for every year that he/she studies at YACPA.
4. Each non-parental financial sponsor (person or organization) must also complete and sign a separate Affidavit of Support.
5. Each signed Affidavit of Support must be accompanied by documents that prove existence of adequate financial resources. Following is a list of generally acceptable supporting documents:
 - a. Bank statements
 - b. A letter indicating current account balance(s) signed by a bank officer. It must be on official letterhead, with bank seal.
 - c. A letter or statement from brokerage houses or other financial institutions that show the value of cash or other liquid assets held by the parent or sponsor.
 - d. A letter or statement of earnings from the parent(s)’ or sponsor(s)’ employer with recent pay stubs, if available. This must be on official letterhead, signed and dated by the appropriate employer representative, such as Human Resources or Payroll.
 - e. A letter from the parents’ or other sponsor(s)’ attorney and/or accountant.
 - f. Proof of loan approval from your loan institution.

NOTE: Documents must be in English; otherwise, a certified translation must also be provided. **Due to the current COVID-19 Pandemic, financial documents may be digital as long as they are official.**

What to send to YACPA:

1. DIGITAL COPIES of the completed I-20 Application, signed Affidavit(s) of Support, and supporting documents proving financial resources. You will need the ORIGINALS for your visa interview; please keep them.
2. Photocopy of valid passport
3. Photocopy of Form I-94, if you have ever traveled to the U.S. in the past.
If you crossed by land into the U.S., this form would be a card stapled to your passport. If you traveled by airplane or ship, a digital copy can be printed from <https://i94.cbp.dhs.gov/>
4. Scan and email all documentation to admissions@yacollege.edu

APPLYING FOR THE U.S. VISA

After receiving the Form I-20 from YACPA

1. Pay the SEVIS I-901 fee (this is different from the visa application processing fee). This fee must be paid at least seven (7) days BEFORE your visa interview. **Canadian students must also pay the SEVIS I-901 fee at least seven (7) days before entering the U.S.**
 - » Fill out the SEVIS I-901 form and pay the fee using an acceptable credit or debit card at <https://www.fmjfee.com/i901fee/index.html>
 - » You may also pay using the paper form and mail to I-901 Student/Exchange Visitor Processing Fee. For information on this option, visit <https://www.ice.gov/sevis/i901/faq>
2. Have color passport photos taken; you will need at least one for the visa application. Read the photo requirements on <https://travel.state.gov>.
3. Use Form DS-160 to apply for a multiple-entry, F-1 Student visa. Information and a link to the on-line DS-160 application are at <https://travel.state.gov>.
4. Remember that completing the on-line application is only the first step. Consult instructions on the web site of the embassy or consulate where you intend to apply for your F-1 Visa, as each office's instructions may vary.
5. After completing the online application:
 - » Print and keep the DS-160 barcode page (no need to print entire application).
 - » Schedule a visa interview appointment in your country of residence. Note that wait times for interview appointments vary by location, season, and visa category.
 - » Pay the visa application processing fee, if required to do so before the interview AND KEEP THE RECEIPT of payment. (This is different from the SEVIS I-901 Fee.)
6. Gather original documents for the visa interview:
 - » Your passport, valid for at least 6 months beyond your date of travel
 - » Your Form I-20 from YACPA
 - » Your SEVIS I-901 fee receipt
 - » Your Form DS-160 confirmation page (the one with the barcode)
 - » The receipt of payment for your visa processing fee, if required to pay before visa interview
 - » One printed passport photo in case the photo upload with your on-line application failed
 - » Additional documents in the event they are requested. Again, review the instructions on the website of the embassy or consulate where you will apply. These are the most common documents expected:
 - a. Proof of academic preparation such as transcripts/academic records and diplomas from previous schools attended.
 - b. Evidence of ties to your home country, such as property, family business, etc. This is very important for a successful visa application.
 - c. Proof of how you will pay all educational, living and travel costs (i.e., the financial evidence packet you had sent to YACPA when applying for the Form I-20).
 - d. Your English language proficiency score report.
 - e. YACPA Acceptance letter

Canadian students should carry all of these documents at their port of entry. This is where they will be reviewed and used to determine authorization to enter the U.S.A.

OTHER IMPORTANT INFORMATION

How to Make Payments to YACPA

1. The preferred method of payment for tuition and housing is credit card or international money order.
 - » Make a payment using a credit card at <https://yacollege.populiweb.com> or by contacting the Admissions Office. YACPA accepts MasterCard, Visa, Discover, and American Express.
 - » Use an International Money Order in U.S. dollars.
2. Where credit cards or money orders are not possible, you may also use a wire transfer:
 - » Contact the Admissions Office (admissions@yacollege.edu) for complete wire transfer instructions.
 - » The receiving bank charges a \$25 fee for all wire transfers. Your bank may also charge a remittance fee. All fees are the sender's responsibility and are not deducted from the amount due to YACPA.
3. To ensure proper credit, the student's name must appear clearly on all bank wires and international money orders.

CAUTION

- » DO NOT enter the U.S. using a B-1, B-2 or B-1/B2 visa. If you use a B (temporary visitor) visa, you could be accused of "fraudulent entry" and refused permission to stay longer than six months, to extend your stay, or to change your immigration status.
- » DO NOT enter the U.S. without using your visa and passport. Citizens of certain countries are allowed to enter as a visitor simply by showing a round-trip airline ticket (Visa Waiver Program). If you are allowed to enter in this manner, be aware that you will be permitted to stay for only 90 days. You will not be given more time to be able to change to Student (F-1) status. You are not permitted to attend college under a waiver.
- » DO NOT send originals of documents to YACPA. Send only PHOTOCOPIES of all necessary documents. You will need the original documents when you have your visa interview at the U.S. embassy or consulate.
- » At the port of entry into the U.S., be ready to present to the Immigration official the following:
 - a. Your passport, valid for at least 6 months beyond your date of travel, with the U.S. visa stamp
 - b. Form I-20 from YACPA
 - c. Your SEVIS I-901 fee receipt
 - d. Your Form DS-160 confirmation page (the one with the barcode)
 - e. Form I-94, which you may print from this web site <https://i94.cbp.dhs.gov/i94/#/home> if you have traveled to the U.S. prior to this visit
 - f. The receipt of payment for your visa processing fee
 - g. Additional documents used for your visa interview, in the event they are requested. These are the most common documents expected:
 - i. Proof of academic preparation such as transcripts/academic records and diplomas from previous schools attended.
 - ii. Evidence of ties to your home country, such as property, family business, etc. This is very important for a successful visa application.
 - iii. Proof of how you will pay all educational, living and travel costs (i.e., the financial evidence packet you had sent to YACPA when applying for the Form I-20).
